To Whom It May Concern;

I want to take this opportunity to introduce you to one of the most memorable and talented people I have had the pleasure of working with, David DaVinci. I have watched him perform over the last 17 years and I can definitely state that he is the most driven individual I have ever met. He is constantly evolving his family friendly show to continuously provide an unmatched sense of wonder for first time thrill seekers and returning guests alike.

Recently David brought his show to his Alma Mater—North Central High School. With only a three week window from the day we set a show date to show time, we were able to put on the most successful one night fundraising event our school has been a part of. We sold out our 517 seat theater and raised \$5,000.00 for our Local Guilds' School. David's reputation within our community and North Central High School staff made it an easy sell. His ability to relate to his audience and command their attention earned him an instant standing ovation. The positive buzz in our school before and the after show has been tremendous.

I am confident that any organization would benefit from working with David DaVinci. With this I give him my absolute highest recommendation.

Sincerely,
